

CITY OF WASHINGTON
NORTH CAROLINA

News Release or News Brief
April 4, 2016

FREE CHLORINE

As part of the State required regular maintenance of the distribution system, the City of Washington will be feeding free chlorine into the city's water system from Monday, April 11, 2016 until Monday, May 23, 2016. Some customers might notice a slight increase of chlorine taste and odor. If you have any questions, please call the Public Works Office at 975-9302.

FIRE HYDRANT TESTING
Week of May 23, 2016

Testing will involve flushing water from fire hydrants. You may notice some cloudiness in your tap water during the testing period due to sediments floating in the water lines. The discoloration is harmless and will clear up after a short period. If you have any questions, please call the Public Works Department at 975-9302.
